KANSAS SOCIETY

2013 Congress Fundraiser Minuteman Commemorative Plaque

The Kansas Society is conducting a fundraiser in preparation for co-hosting the 2013 Congress in Kansas City. Each commemorative plaque will have a plate which pays tribute to a Revolutionary War patriot by his SAR descendant.

This 7" tall plaque is a great way for each compatriot to "remember his obligations to his forefathers." Plus, it would make a great gift. Display it in your home, office, or trophy room.

The cost is \$120 of which \$100 is a tax deductible contribution. Shipping and handling are extra.
