

The Liberty Bell News Letter of the Kansas Society Sons of the American Revolution

The President's Corner

by Bobbie Hulse

Hello Kansas Compatriots

What a year Kansas has had and here we go into the fall with great expectations, students already contacting us about scholarship contests, new applications going in, new chapters being organized, and probably many other things I don't even know about.

Debbie and I just returned from our Congress vacation. We toured the entire SW United States coming and going. What beautiful country we have out there. One of the things about going to congress when it is distant is that you can make a vacation trip out of it and take a break for Congress. When we returned the next day, the estate sale started and now the clean-up is continuing but all is going well.

A bit about the Kansas Society at Congress. Recognition night I spent most of the evening going up front collecting the streamers, certificates, checks, and medals to bring back to all of you who did such a great job

this past year. The Kansas Society is a household name to all that attended. I could not take notes since I was on the floor most of the time but you guys put Kansas at the least in the top five of the country and that includes the big societies like Texas, California, Virginia, Alabama, etc. One of the highlights to me was that our poster entry placing 2nd in the nation. We have come a long way since I became a member and at my first State Conference we had one poster from the whole

state and now we have hundreds. It is my dream that next year some of these poster participants will take place in the brochure contest.

There are changes in the way we use SAR Record Copies for documentation as of now we must submit a copy of the record copy. Tim has many of them so please use that resource if needed otherwise you will have to order one from Louisville. At least that is my understanding.

Now that we are over half way through the recording year for Americanism it is a good time for all chapter presidents to send their results to date to Justin so that he may begin recording. Easy to do just attach and send your results thus far on the recording sheet. I bring this up again as it is so hard to record events at the end of the year if you have not kept up and also for Justin to record all of them. We were once again recognized at the National

Congress for Americanism and the SCD was the envy of the nation. We have a great deal of men out doing a super job and no reason we can't repeat.

Over the last couple of years, I have noticed a major resurgence in Patriotism. Never in my time have I seen so many of our citizens become concerned about where America is headed. We may not be able to control the media, the news, gossip, and so on but we can control what our role is as Compatriots. We take an oath of support for our country's founding documents, our courts, and our freedoms. We can control what we do to promote these commitments we made and go forth and teach, inform, practice, and stand tall for this great Nation. The history of our Nation is in our hands for the teaching so let us do whatever we can to see that we remain a God fearing, law abiding, fair and just land, keeping in mind that the foundations are solid and we cannot allow them to be dismantled on our watch. This to me is the Charge we have before us as descendents of our Patriots to whom we owe so much. We can, by each doing what we can, change the direction that we see some factions trying to provide as they negatively influence to our politics, our way of life, and our faith. We have to work as hard as do they if we are to hand off the Nation to the next generation as free and prosperous for all to enjoy.

129th Annual Congress Costa Mesa, California

The 129th Annual Congress was hosted by the California Society in the Costa Mesa suburb of Las Angeles, California 6-10 July 2019. And while it may never rain in Southern California that cannot be said about earthquakes as there were three that occurred in the week we were there!

The Kansas SAR was represented by Society President Bobbie Hulse, Trustee Brooks Lyles and Past President and Trustee elect Dennis Nelson. Also attending and representing the Kansas Ladies were First Lady and Ladies Auxiliary President Debbie Hulse and past Auxiliary President Diane Ungvarsky. The week started Saturday with sponsored tours of The Huntington Library

and
Gardens,
or The
Richard
M.
Nixon

Presidential Library
and Lyons Air Museum in the
morning and the Host Society

Reception that evening aboard ship
for a

harbor
dinner
cruise
at

Newport
Beach. The food was fantastic and
the views spectacular!

Sunday began the real work of the Congress with the Color Guard Breakfast, the Joseph Rumbaugh Orations Contest, the judging of the Americanism Poster Contest entries, a Trustees Meeting and the Memorial Service honoring all the

compatriots who
have left us since the last Congress. The Memorial Service included the largest annual gathering of the National Color Guard at Castaways Park with a review by the President General in the morning then movement to Saint Andrew's Presbyterian Church, the site of the

Memorial Service and presentation of the colors for the ceremony. The ceremony is followed by the First Lady's Tea which features many of the women in their finest Colonial Dress.

Sunday evening is the Rumbaugh Orations Contest. Unfortunately our Kansas representative this year was unable to attend the Congress to compete at the national level.

Monday morning marked the official Opening Session of the 128th Annual Congress. The National Color Guard presented the colors and the National Society Leadership were introduced and seated. Greetings were presented by representatives of local government, many of the major hereditary and genealogical societies in the country as well as the American Legion. Following the Opening Session

oration from the night before, but this year it was the announcement that the Poster from Delaware Crossing came in second in the nation. It will be on display at National Headquarters in Louisville for the next year!

Monday is Recognition Night with the introduction of this year's Minuteman Class (see next article) and the Awards to State, Chapter and Individuals Awards Presentation. Kansas kicked butt again this year and was joined by Missouri and Texas as the SCD ran away with many of the awards that matter. Kansas received

participation streamers for the CAR, Rumbaugh Oration, Knight Essay, Eagle Scout, Americanism Poster and Adams Brochure Contests; and streamers for the Admiral Furlong Flag Certificate program, Officer's Attendance; and Public Service and Heroism Commendations reporting. Kansas came in third again for the most DAR Referrals. John Schatzel placed third and received the Florence Kendal Medal for personally recruiting the third most new compatriots in the country (94/56/55). The Henry Leavenworth Chapter was one of 39 Chapters nationwide to receive the PG's Education Outreach Streamer. The most significant awards received were for the Liberty Bell Americanism Award presented to the

Henry Leavenworth Chapter for presenting evidence of the best implementation of SAR resolutions and principles, and the President General' State Society and Chapter Activities Competition Award to the Kansas Society (500-999 members). The South Central District swept 3 of the 4 categories with Missouri winning for the 200-499 member category and Texas for the 1000+.

Tuesday morning kicked off with the South Central

District Breakfast. The Mighty SCD is composed of five states and often goes by MOKAT, Missouri, Oklahoma, Kansas, Arkansas and Texas. It is one of the larger and more influential districts and for the last year it has been led by Vice President General Dan McMurray of Missouri. There were 30 members of the District in attendance. We heard from the candidates for National Offices to include the SAR Foundation Board, the fund raising wing component of the National Organization. Following the visit of the candidates and State Society President's reports, VPG McMurray passed the gavel to new VPG Darrell Heffley of Oklahoma. The next South Central District Meeting will be 23-24 August in Oklahoma City, Oklahoma. Come join us and show Kansas' continued support for the SCD.

The second General Session of the Congress convened at 0900 and went the rest of the day with a break for the George Washington Fellow's and VPGs Luncheon where new GW Fellows were recognized. Brooks Lyles was elected to a three year term on the George Washington Endowment Board by the GW

was the Youth Awards Luncheon where we recognize all the Youth Contest Award winners of the National Society. The winners are introduced and get to read their essays. The highlight of the luncheon is usually the presentation by the Rumbaugh Oration Winner of their winning

Fellows. In the afternoon Committee Reports were completed, Formal Nominations for National Offices as approved by the Nominating Committee were formalized and any candidates running from the floor were introduced. The General Session was closed and delegates broke to attend committee meetings, Color Guardsmen got the flags ready for the evening's banquet and balloting took place for the only contested position, that of Registrar General, between Doug Collins (KY) and John Thornhill (NC).

Nam's infamous Hanoi Hilton. Following his inspirational talk he received a surprise induction to the SAR!

Wednesday morning was the final session of the Congress where unfinished business was conducted and all the new General Officers, VPGs and State Trustees were sworn in. The meeting ended at 1100 and a tour of The Mission at San Juan Capistrano was enjoyed by many folks while others took in the local culture for the rest of the day. That evening

If you have never been to a National SAR event you owe it to yourself to make the effort. We are a great bunch of like minded individuals with a common love for history and our country. You may find a long lost relative or meet and make a new friend. The work of the organization is a calling and it needs all of our support to make it work.

The Minuteman Class of 2019

The Minuteman Award is the most prestigious award of the National Society. The National Executive Committee established the award in 1951. Only those compatriots who have made distinguished and exceptional contributions of service in the National Society may be recognized and since 1967 a maximum of six individuals can be recognized annually. The members of the Minuteman Class of 2019 are:

Michael J. Elston (VA)

Jim L. W. Faulkinbury (CA)

Larry M. Leslie, Sr. (KY)

James M. Lindley (WA)

J. Thomas Showler (PA)

William O. Stone (AL)

Through 2019, a total of four hundred and six Compatriots have been recognized with the Minuteman Award. In Kansas nine members have been honored. Edgar Grover, Barney Ellis and Peter Grassl are our living recipients of the award.

Tuesday evening was the President General's

Compatriots and their Ladies gathered for the

President General's Induction Banquet where Jack Manning of New Hampshire was sworn in as the new President General.

One of the highlights of the PGs Induction Ceremony is the presentation of

Washington's Signet Ring which the PG gets to wear for a minute or two before it is secured and sent back to National Headquarters. It is a once in a lifetime opportunity and only one Compatriot a year gets the honor.

Banquet, honoring President General

Warren Alter and First Lady Nancy as their term of office comes to a close, but it was started with the Change of Command of the National Color Guard between Mark Anthony (GA) and Jim Fosdyck (CA). The featured speaker was

Retired Navy Captain and former Top Gun

Instructor

Charlie Plum who spent 6 years as a POW in North Viet

OLD SHAWNEE DAYS PARADE

Left to right are Brooks Lyles (HL), Alan Martin (MC), Dewey Fry (DX) Tom Chycota (HL), and Steven French (DX).

The Kansas Color Guard, led by CG Commander Dewey Fry marched in the third spot in the Old Shawnee Days Parade on Saturday June 8th. From left to right: All three of the Kansas City Chapters were represented in the parade and Kirk Rush, President of Delaware Crossing Chapter also marched, but with the American Legion Band. This was the 50th Year of the Old Shawnee Days Parade. Compatriot Alan Martin marched in the very first one as a Cub Scout. Please plan on joining us next year for this great event!

Updates on the SAR Education Center and Museum

These are exciting times for the society as we move forward on the finalization of plans for the "Museum Row" space at our National Headquarters on West Main Street in Louisville. I encourage everyone to go to the SAR Foundation website at <https://www.sarfoundation.org/education/the-sar-museum-and-education-center/> and watch the Solid Light video to see what their vision for this world class facility is.

The SAR Education Center and Museum will house galleries and exhibits will highlight the ideals of our patriot ancestors and tell the story of the American Revolution on the world stage. Gifts of all levels have an impact, and there are still naming opportunities available. To help make the SAR Education Center and Museum a reality, send your donations to the [SAR Education Center and Museum](#) and the [1776 Society](#)! For more information please contact [Sarah Strapp Dennison](#).

New SAR Logo Contest

The National Society of the Sons of the American Revolution is seeking to create a new logo.

If you are a graphic designer, or know of a good graphic designer, then please share this with them.

The winning logo submitted will receive a prize of \$5,000.00. The two runner ups will receive \$1,000.00 each.

The criteria for the logo are as follows:

1. The logo must be simple
2. The logo must be clean in appearance
3. There should be a maximum of 4 colors
4. The logo should convey a sense of patriotism
5. Fonts and colors must be commercially available
6. The logo, when viewed by the public, should make them think of the Sons of the American Revolution
7. The logo can easily be used to put on materials for clothing, glassware, etc.
8. The logo, when sewn, should have a stitch count of 7,000 or less.
9. The logo should be submitted in .tif format
10. The submitted logo(s) should be 4.98" x 6.64"

Contest Rules

1. Logos must be submitted by midnight December 31, 2019. Any submissions after that will not be considered.
2. Logos must be submitted using the [Contest Application Form](#) found on the SAR website.
3. The entrant shall assign to the Sons of the American Revolution any and all rights, title and interest in the submitted logo, and appoint the Sons of the American Revolution as his/her attorney-in-fact to apply for any and all applicable intellectual property rights in favor of the Sons of the American Revolution.
4. To the extent that any intellectual property rights remain in the entrant, the entrant shall grant a perpetual royalty free worldwide, exclusive, irrevocable, assignable license in and to the logo to the Sons of the American Revolution.
5. The logo cannot infringe the rights of any third party.
6. Judging will be done by three parties. A committee will narrow the submissions to 10 finalists. The Executive Committee will narrow those 10 down to three. The Board of Trustees will choose the winner.
7. Prize winnings can be paid directly to a school. If the winner chooses to take the prize money, they will be subject to income tax laws.
8. For additional information, visit our website at: <https://members.sar.org/media/uploads/pages/336/xq4Zra0qlqjL.docx>
9. All submissions are to be sent to sarlogocontest@gmail.com

Dispatches from the Western Front

From the Prairie Chapters Bennington, Ft. Hays and Sons of the Plains

After Thoughts from President Bobbie:

David Comer has ordered more Kansas SAR pins that should be available soon to our members. These are great advertising weather you wear them on your suit coat or your ball cap. It is a great way to get into a conversation about our organization. We all should have at least one.

This year we had 8 men receive Liberty Medal Recognition. If you haven't gotten yours it is only because you haven't sponsored enough men into the SAR. It only takes ten. The 8 that got recognition have over their tenure in the Kansas Society sponsored 448 new members. That is from 8 guys. If you have a prospect and need some help let me know. (bobbiesar2@att.net) and I will find some for you or do it myself. Everybody needs a Liberty Medal.

We already have student inquiring about the Youth Contests and now is the time to make your presence known. Dean Bruns presented the Eagle Scout Contest to three troops last week with very good response from not only the scouts but the leaders as well.

Dennis Nelson is now our George Washington Endowment Fund Chairman. Thanks to Bob Capps for his years as chairman and if you have interest in becoming a George Washington Fellow see or contact Dennis.

Chapter Presidents please send Jordon Chambers your chapter officers and committee chairman list for the website. We are in need of many updates as he works to get it up to speed. (jordan@2000revue.com) Please CC them to me as well. (bobbiesar2@att.net).

Next year the National Congress will be in Richmond VA. Our trip/vacation was great as we took extra time going to an coming back from Costa Mesa. We tried to see all of the sight of the southwest and I am sure we missed some but we had a great time in our travels. If you have not been to a congress this one coming up should be great as it is in the heart of the early history of our Nation and there is a lot to see between here and there so think about a long exciting vacation next summer.
